

## Join Us in Honoring 40 Outstanding Early Career Research Professionals!

This 2018-exclusive program provides funding for 40 outstanding early career scholars to attend the Fall Research Conference - the premier conference for high-quality research on a wide variety of current and emerging policy and management topics.

We are thrilled to commemorate the 40th Annual Fall Research Conference by honoring the contributions of these scholars.

Visit [www.APPAM.org/40-for-40](http://www.APPAM.org/40-for-40) for nomination and funding information.

This year we're doing something different.

In recent years, APPAM has developed more resources and opportunities for our student and early career professional members. To build on that momentum as we celebrate our 40th Annual Fall Research Conference, APPAM introduces the 40 for 40 Fellowship.

### Here's where you come in:

- Nominate colleagues and recent graduates for their research contributions (or apply yourself).
- Support these scholars through a donation to the Ruby Fund. The 40 for 40 Fellowship is entirely donor-funded, providing a unique way for the policy community to support its rising members.

“*Never has rigorous policy evidence been more important. We need to continue to attract and support newer professionals to grow and improve our field. The 40 for 40 Fellowship is one small way to support their work and connect them to the learning network that APPAM provides.*

*Matthew Stagner, APPAM President-Elect and Mathematica Policy Research Vice President*

### Who is Eligible:

- Any public policy researcher, academic, or practitioner within five years of the receipt of their terminal degree.
- APPAM membership is not required of the nominee or the nominator.
- Nominees should have exhibited innovation, promise, or insight in their position or through their research thus far.

### Nomination details:

Nominations can be sent to [info@appam.org](mailto:info@appam.org). (You may also initiate an application for yourself, but must include the letter of recommendation).

- Completed 40 for 40 Application.
- Nominee CV.
- Letter of Recommendation.
- Summary of nominee publications and/or career accomplishments (no more than one page).
- Nominations will be accepted until August 15, 2018.

The deadline is August 15, 2018. Visit [www.APPAM.org/40-for-40](http://www.APPAM.org/40-for-40) for details.
