
Association Book Exhibit (ABE) ~ APPAM Speakers

Dear APPAM Presenters,

Association Book Exhibit is excited to partner with the **Association for Public Policy Analysis & Management** for its upcoming conference in Washington, DC. ABE will be running the bookstore throughout the assigned exhibit hours of the conference. Because you are a presenter at the conference we would like to know if you have any recommendations for titles to be carried in the bookstore.

To make the process easier, see the form below. Please submit this completed form to info@bookexhibit.com no later than **September 14**. Please limit your recommendations to titles you have written, have contributed to or will be mentioning in your presentations. If you have any questions, you may e-mail me directly. Thank you.
