The image shows a screenshot of the APPAM 39th Annual Fall Research Conference panel submission interface, specifically the 'Search for a person' section. The section includes instructions, required roles, and a search form. The search form has fields for 'First Name', 'Last Name', and 'Email Address', and checkboxes for 'Match "Like"' and 'Starts with'. The 'Search' button is highlighted with a red circle.

From the search results, either select an individual from the results or 'Not Found' if the individual does not appear in the search, then click 'Select'. If you selected 'Not Found', you will have to opportunity to enter information for them.
